This Project is funded by

In order to enroll in the ALLsoSKILLED learning platform you need to follow the next steps. Please, be careful, take all the steps by the following order and don't skip anything, otherwise we don't know where you might end up! Just kidding of course, but we would like to give you as clear instructions as possible, to make this learning experience easier. 😊

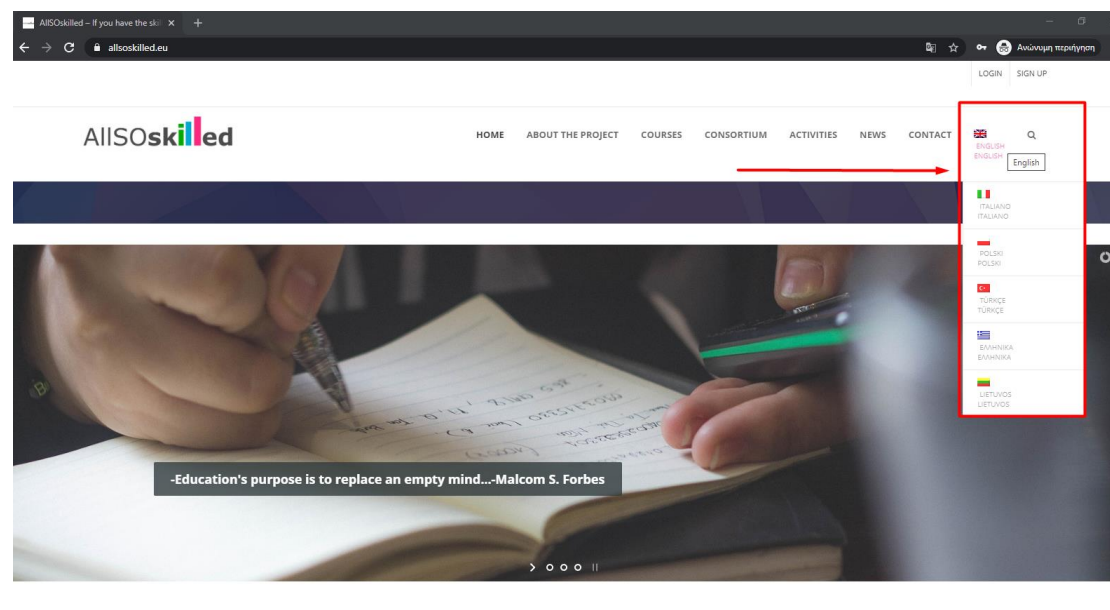

## STEP 1

Open your browser and type the url: <https://allsoskilled.eu/>

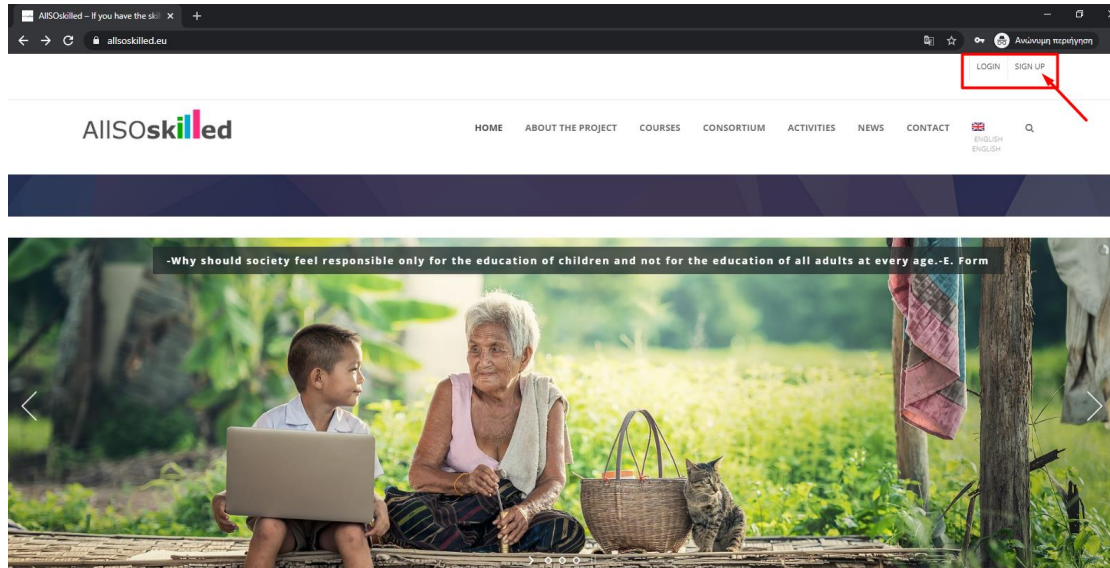

## STEP 2

From the website menu change choose the language you prefer. Check the image below:

### STEP 3

On the top right corner, you should find the option SIGN UP and click on it. See the image below:

### STEP 4

When you Click the SIGN UP FORM it will redirect you in the platform **Registration Page**. In this Form you can add your information in order to create your account. For this you need to add:

- **USERNAME:** How do you want your name to appear when being logged in in the platform
- **EMAIL ADDRESS:** An email address which you should use to register to the platforms and receive information about it, such as your credentials
- **PASSWORD:** Create your password and confirm it.

With your credentials (username and password) you will be able to login in AllISOskilled platform and attend the courses. Also, in the registration page, you should add some additional demographic information to personalize your account and for statistical purposes (like NAME, AGE-GROUP and your LANGUAGE.) After adding your information click the button COMPLETE SIGN UP. See the image below:

The email that you will receive will look like the one in the image below:

Click to the link that the platform provides you.

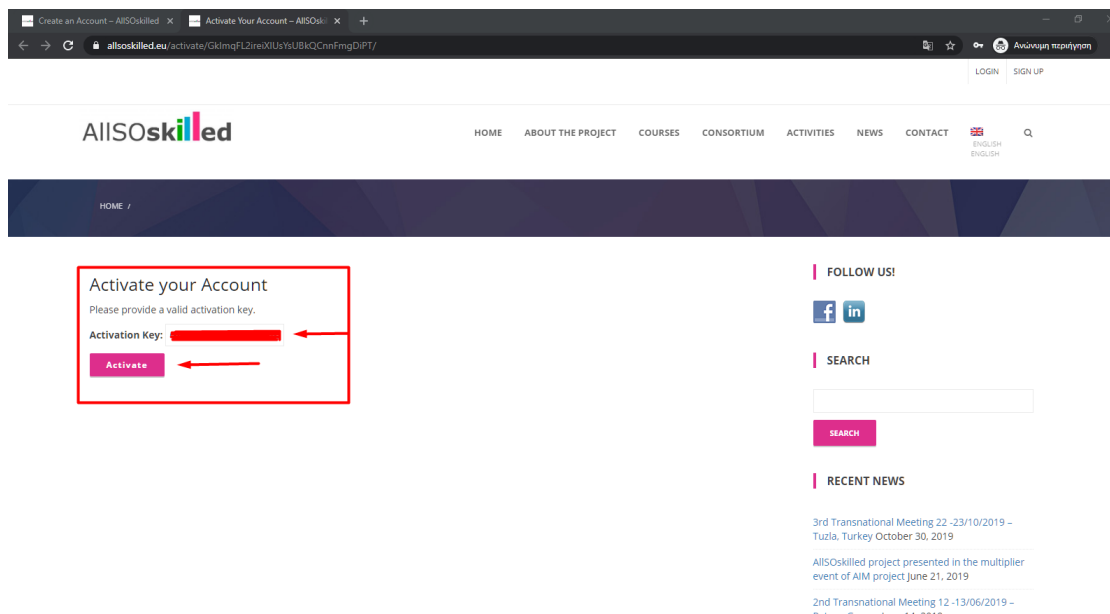

When you click it, it will redirect you to the Activation page.

## STEP 6

In order to activate your account and for security reasons, please COPY and SAVE your ACTIVATION KEY which the platform provides you with.

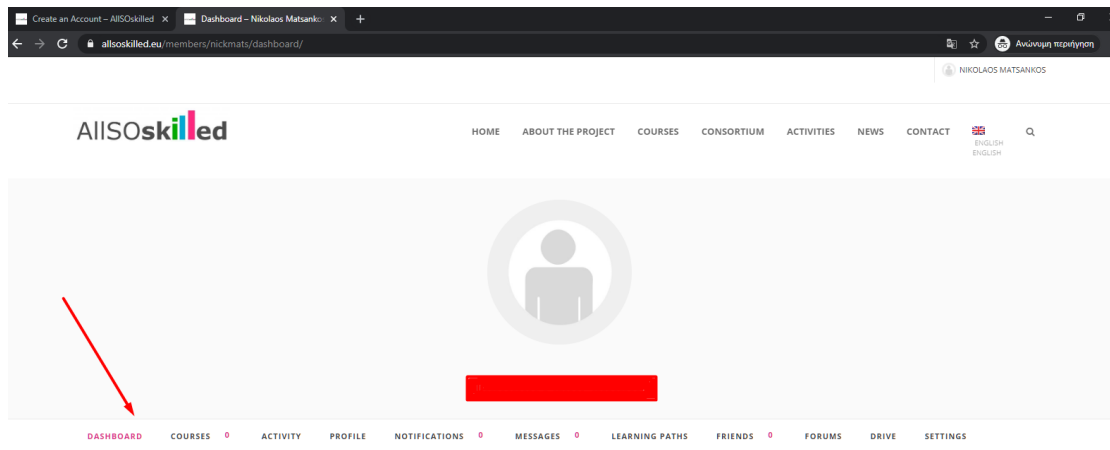

After that click ACTIVATE. See the image below:

## STEP 7

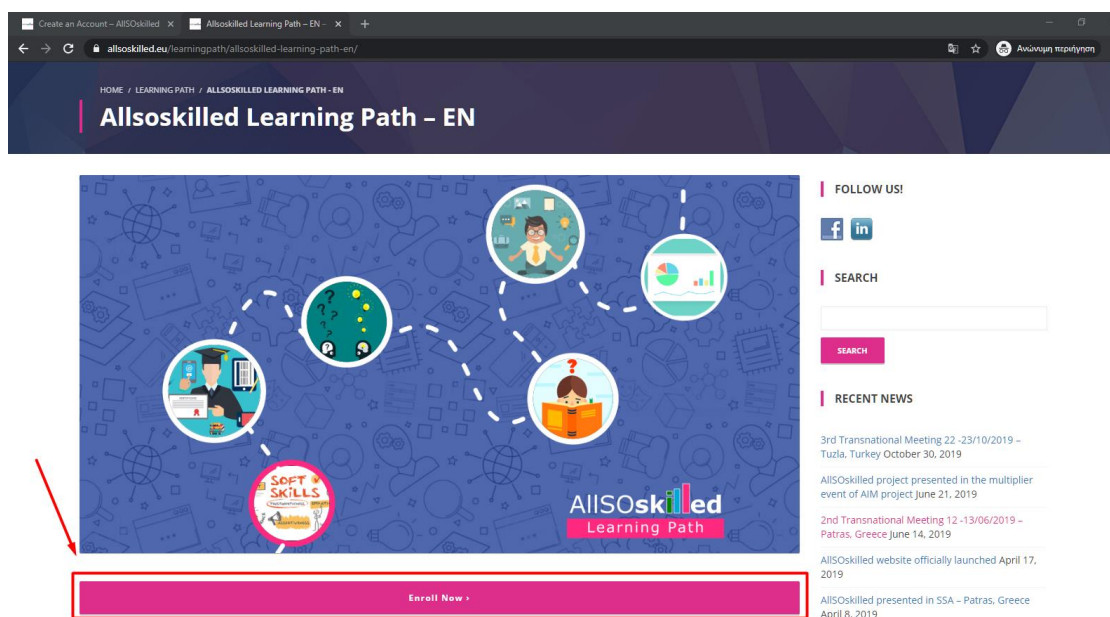

When you click **ACTIVATE** the platform will redirect you to your **profile Dashboards** where, as a student, you can check your progress for the courses.

As you can see there are many options from your dashboard. You can find your **Courses**, edit your **Profile**, see some **Notifications or Messages**, keep on track with your **Learning Path** etc.

## STEP 8

From the Main Menu click the **COURSES** in order to enroll to the Learning Path. Then click to the **ENROLL NOW** button and confirm your enrollment into the Custom Learning Path. A message will appear in with your successful enrollment and a progress bar. See image below:

After your successful enrollment you can scroll down to show the specific steps from the Learning Path and click on the green button **SEE THE CURRICULUM** in order to redirect yourself to each course.

**REMEMBER:** Each course is sequential, so you should keep the order of the courses and the learning process.

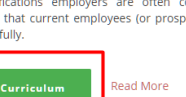

### SOFT SKILLS

#### Overview

Have you got the skills you need for the 21st-century workplace? Beyond hard skills and formal qualifications employers are often concerned about the lack of transversal competences that current employees (or prospective new hires) need to perform various tasks successfully.

[See the Curriculum](#) [Read More](#)

15 Points

### Initial Assessment

This is a self-evaluation. Please select for each skill how you think you can perform them. You have to be honest and offer a measure that really reflect your abilities. if you are reply half-heartedly, you miss out an opportunity for improvement. Please, remeber to download your survey answers.
